

Country Roads Trail

Escape the hustle and bustle of your busy life as you discover some wonderful family-owned wineries off the beaten path. Sit on a patio overlooking a sparkling lake and enjoy some award-winning wines including classic European style viniferas, yummy fruit wines and native varieties which have been sipped in Ohio since the earliest days of wine production here. Plan your wedding at a beautiful event center. Bring a picnic [allowed by several] or order from the menu where a restaurant offers fine as well as casual dining. If you enjoy craft beers, those are available at several too. Be sure to check each winery's web site and learn about the amenities and special events planned by each.
